Palace

## Express Menu

### Welcome

The Mandarin Palace has been established since 1989. Our family friendly restaurant has been serving the Northwest for three decades.

We pride ourselves in our experienced chefs who freshly prepare our dishes giving you a consistent high quality standard. Our waiting staff are equally well known for their friendliness and professionalism. Nothing is too much trouble.

In 2018 we had the privilege of receiving the Golden Chopsticks Award in London hosted by Gok Wan for **'The Best Chinese Restaurant in Ireland'**

In addition we had the honor of being presented with a recognition plaque by our Citys Mayor.

Both of these have elevated our team spirits further and we vow to continue to serve you our very best.

We invite you to sit back and enjoy your dining experience in The Mandarin Palace.
